Forgotten your username or password?

New account

- Fill in all the fields then click Create my new account.
- Carefully put in your e-mail address.
- You must confirm your account through e-mail so, it is essential that you type it correctly.

CSS Moodle

Home > Confirm your account

An email should have been sent to your address at **heyyou911@gmail.com**

It contains easy instructions to complete your registration.

If you continue to have difficulty, contact the site administrator.

Continue

Go to your email to confirm your account.

Note: This email is from an external source.

Do not click links or open attachments unless you recognize the sender and know content is safe.

Hi John Doe,

A new account has been requested at 'CSS Moodle' using your email address.

To confirm your new account, please go to this web address:

<https://css.gnomio.com/login/confirm.php?data=DLpAWyROuAEqELd/svalerts>

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

If you need help, please contact the site administrator,

Admin User

Click to confirm your account registration. You will see this once you do that.

The screenshot shows the CSS Moodle website interface. At the top, there are logos for Catholic Social Services and 'Sign of Hope!'. The main content area displays a confirmation message: 'CSS Moodle', 'Home > Your registration has been confirmed', 'Thanks, Test Test911', and 'Your registration has been confirmed' with a 'Continue' button. The footer includes contact information for training@cssalberta.ca, the organization's mission statement 'Helping others with humility, compassion, and respect.', a 'Data retention summary' link, and a 'Get the mobile app' button. The bottom of the page features a 'PROUDLY MADE WITH noodle' logo and 'Made with connect.me'.

To register in a course:

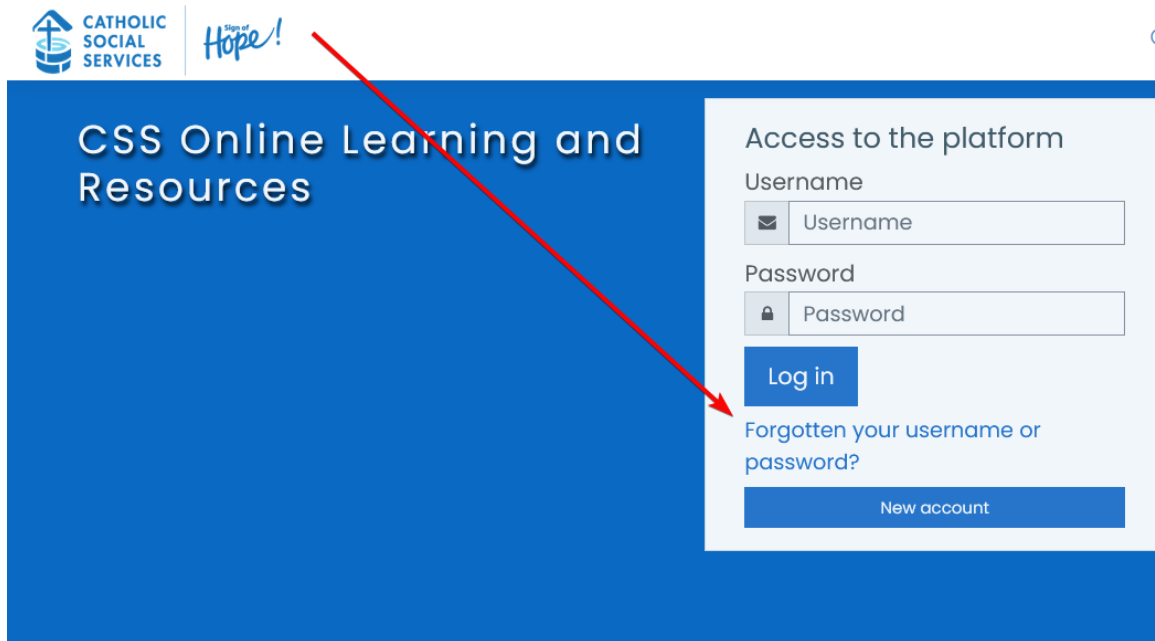

Most courses have an enrollment key which controls who can take a course. The enrollment key for most courses is CSSstaff. Enrollment keys for ShareVision Training are on the main page of ShareVision.

Click on a category

- Find your course and click on it
- Enter the enrollment key (this only needs to be done once).

If you forget your password:

If you have forgotten your password you can reset the passwords on the main page of CSS Moodle.
